

Fleet Craft

Catalina

Now, Fleet Craft introduces for 1967 a completely re-styled hull for greater speed with safety under even choppy sea conditions. There's more maneuverability, more reserve buoyancy, more style, and more get-up-and-go built into these new runabouts than anything you've ever seen before. And ... you can count on traditional Fleet Craft workmanship, maintenance-free fiberglass construction, and superior value. Vinyl carpet, remote steering, running lights, side and rear storage compartments.

SPECIFICATIONS

Gunwale Lgth.	17'4"	Transom Hght.	20"
L.O.A.	16'4"	H. P. Rec.	to 80
Beam	6'4"	Depth Fwd.	38"
Trans. Width	6'1"	Approx. Wt.	775 lbs.

\$1045.

Off-Shore Riviera

Skiing ... fishing ... skin diving ... day cruising picnicking ... here's family fun combined with deep water safety in a non-pounding hull design featuring a double-bottom fiberglass hull. Off-Shore Riviera comes complete with remote steering, ventilating windshield, running lights, deck hardware, ski tow, side and rear storage compartments, vinyl carpet, lounge seats, and other extras. (See optional accessory list.)

Speedy · Sporty · Superb Value

THE FINEST FIBERGLASS BOATS IN THEIR CLASS

POWER OPTIONS

Enjoy inboard power and economy combined with outboard maneuverability when you use Inboard/Outboard Drive. We recommend these as an ideal power package for Fleet Craft boats.

OUTBOARD ENGINE RECOMMENDATIONS

Superior hull design means that you get good performance with any outboard engines from as little as 30 H.P. on the Catalina, up to as high as 120 H.P. on the Malibu models. Ask your dealer for specific recommendations.

ACCESSORIES

There's more pleasure, comfort and safety in your boating when your Fleet Craft is equipped with these factory installed optional accessories:

FLOTILLA CORPORATION

5 Year Warranty

The Flotilla Corporation warrants for 12 months from date of purchase each registered new hull manufactured by it against defects in material and workmanship. It further warrants for five years the hull against leaking or structural fatigue in normal recommended use. Flotilla's liability under this warranty being limited to the repair of such defects by Flotilla if the hull is returned to its factory during the warranty period with all transportation charges prepaid and which upon its examination shall disclose to its satisfaction to have been thus defective. The judgment of Flotilla Corporation's factory trained experts is final as to the extent of liability. This warranty applies only to the original registered owner of a Flotilla Corporation hull and is expressly in lieu of all other warranties expressed or implied and of all other obligations or liabilities on its part, and it neither assumes nor authorizes any person to assume for it any other liability in connection with the sale of its hulls.
